### GAIN OF 30

Hon. Guilford Smith Makes Up Balance for Swedish Parish House.

The Swedish Lutheran church society some time ago bargained for the purchase of a building lot near their church at the corner of Oak and Summit streets with the intention of erecting thereon a parish house as soon as a sufficient amount of money could be raised for the purpose.  
A paper was circulated asking for subscriptions to assist in paying for the lot and all but \$226 was obtained when the paper was presented to Hon. Guilford Smith and he gave the sum of \$200. This is the fourth act of his beneficence toward worthy objects within the past month.

### WEDDING.

Sullivan-Schrier.

George R. Sullivan, a lineman, aged 24, and Miss Mildred Schrier, aged 15, both of Rockville, came to this city on the morning train Monday and went to the office of the town clerk to procure a marriage license. The young woman, being a minor and without signed permission from her mother to wed, was told that she would have to procure written consent before a license was granted. The young couple were not phased, but went back to Rockville and obtained the necessary document and returned on the 2:25 train in the afternoon, made another trip to the town building and presented the signed permission, obtaining the desired marriage license. The groom's parents' names were given as James and Bridget (Griffin) Sullivan and the bride's parents as Frank and Jessie (Wolf) Schrier.

They said they wished to be married by a justice of the peace and Town Clerk Fenton directed them to a down town justice, but they wanted to wed immediately and asked if he could not perform the ceremony, which he finally consented to do. The couple walked around into the office proper and Justice Frank P. Fenton performed the ceremony with a ring.  
First Selectman James J. Tew and City Sheriff Robert O. Snow were the witnesses.  
The newly married couple boarded the 4:07 express for their honeymoon.

### All Ready for Today's Election.

Everything tends to indicate that one of the largest votes ever polled in Windham will be cast today, in spite of the fact that it is what is termed an off year. Political leaders of all parties will be in the town the quiet all day Monday and the loose ends were being carefully gathered up. The polls will open at 9 o'clock and close at 5 o'clock p. m. Republican headquarters will be established at 15 Church street at Elmer M. Young's, and democratic headquarters at Fred N. Green's place, just a little farther up the street.

Provision has been made to have election returns over the Postal telegraph wires at the board of trade rooms, where the members of that organization and the Willimantic business men's association will gather to obtain the results. The returns will also be bulletined at a local drug store by the Willimantic Daily Chronicle, and the Thread City Cylinders will keep open house and also the Alert hose company at the Bank street fire station.

### Lawisa Kaminski.

Lawisa, the year and three months old daughter of Mr. and Mrs. Anthony Kaminski, 94 Ives street, died Sunday of cholera infantum, after a 24 hours' illness. The funeral was held Monday afternoon at 3 o'clock. Burial was in St. Joseph's cemetery.
